The Grants Register 2016 Palgrave Macmillan Ltd,2016-12-27 The most comprehensive guide on postgraduate grants and professional funding globally. For thirty-four years it has been the leading source for up-to-date information on the availability of, and eligibility for, postgraduate and professional awards. The Grants Register 1997 Ruth Austin,2016-01-06 In response to changing market needs, The Grants Register has been substantially revised from previous editions for this, its 15th edition. With increased student and professional mobility world-wide, coverage in The Grants Register has been extended from the English speaking world to the whole world, making it the only truly international guide of its kind. The number of awards has increased by 25% from the last edition, with all the information supplied directly by the awarding body. To improve ease of use, the layout and field structure has also been completely update. This has included the introduction of new fields on the level of study, individual eligibility and applications procedures as well as additional contact details such as email and World Wide Web addresses. The indexes have also been completely revised, with the introduction of an internationally recognised subject index which simultaneously incorporates a geographical guide to eligibility. An alphabetical list of awards will also be given. Now significantly extended, The Grants Register continues to be the only complete guide to awards and grants for postgraduates, young professionals, mature students and advanced scholars.

Memoirs of a Born Free Malaika Wa Azania,2018-11-20 Apartheid isn't over—so Malaika Wa Azania boldly argues in *Memoirs of a Born Free*, her account of growing up black in modern-day South Africa. Malaika was born in late 1991, as the white minority government was on its way out, making her a Born Free—the name given to the generation born after the end of apartheid. But Malaika's experience with institutionalized racism offers a view of South Africa that contradicts the implied racial liberation of the so-called Rainbow Nation. Recounting her upbringing in a black township racked by poverty and disease, the death of a beloved uncle at the hands of white police, and her alienation at multiracial schools, she evokes a country still held in thrall by de facto apartheid. She takes us through her anger and disillusionment with the myth of black liberation to the birth and development of her dedication to the black consciousness movement, which continues to be a guiding force in her life. A trenchant, audacious, and ultimately hopeful narrative, *Memoirs of a Born Free* introduces an important new voice in South African—and, indeed, global—activism.
