

River Of Stars Selected Poems Of Yosano Akiko

Nicolas Turcev

River of Stars, 1997-03-18 Yosano Akiko (1878–1942) is one of the most famous Japanese writers of the twentieth century. She is the author of more than seventy-five books, including twenty volumes of original poetry and the definitive translation into modern Japanese of the Tale of the Genji. Although probably best known for her exquisite erotic poetry, Akiko's work also championed the causes of feminism, pacifism, and social reform. Akiko's poetry is profoundly direct, often passionate, exposing the complexity of everyday emotions in poetic language stripped of artifice and presenting the full breadth of her poetic vision. Included are ninety-one of Akiko's tanka (a traditional five-line form of verse) and a dozen of her longer poems written in the modern style.

River of Stars, 1997-03-18 Yosano Akiko (1878-942) is one of the most famous Japanese writers of the twentieth century. She is the author of more than seventy-five books, including twenty volumes of original poetry and the definitive translation into modern Japanese of the Tale of the Genji. Although probably best known for her exquisite erotic poetry, Akiko's work also championed the causes of feminism, pacifism, and social reform. Akiko's poetry is profoundly direct, often passionate, exposing the complexity of everyday emotions in poetic language stripped of artifice and presenting the full breadth of her poetic vision. Included are ninety-one of Akiko's tanka (a traditional five-line form of verse) and a dozen of her longer poems written in the modern style.

Strong in the Rain Kenji Miyazawa, 2007 Kenji Miyazawa (1896-1933) is now widely viewed as Japan's greatest poet of the 20th century. Little known in his lifetime, he died at 37 from tuberculosis, but has since become a much loved children's author whose magical tales have been translated into many languages, adapted for the stage and turned into films and animations. Recognition for his poetry came much later. Strong in the Rain - the title-poem of this selection - is now arguably the most memorised and quoted modern poem in Japan. Both intensely lyrical and permeated with a sophisticated scientific understanding of the universe, Kenji Miyazawa's poems testify to his deep love of humanity and nature. From a young age, he was fascinated by plants, insects, and especially minerals, which he collected. At school, his interest in nature deepened, and he began poring through books on philosophy and Buddhism, which were to strongly influence his later writing. Miyazawa drew on nature in a way that no modern Japanese author had before him. Where other writers tended to use it as a springboard for their own meditations, he saw himself not just as nature's faithful chronicler and recorder but as its medium: light, wind and rain are processed through him before being recreated on the page. His mode of active engagement with nature set him apart from virtually all other

Japanese poets, and led to his work being largely ignored by the Bundan (the literary establishment) and misunderstood for half a century. But in the 1990s, he received unprecedented attention in the Japanese media. The compassion, empathy and closeness to nature expressed in Kenji Miyazawa's poems and tales appealed strongly to a new generation of readers.

One Hundred Poems from the Japanese Kenneth Rexroth, 1955 A collection of Japanese poems accompanied by their English translations.

Piedra de Sol Octavio Paz, 1991 Nobel laureate Octavio Paz's premier long poem Sunstone is now a handsome illustrated paperback. Presented here in a new translation with the Spanish texts en face, this is the 1957 poem that helped established Paz as a major international figure. Includes beautiful illustrations from an 18th-century treatise on the Mexican calendar.

Voices of Light Aiki Barnstone, 1999 Though often deprived of public position, women have long practiced the personal art of writing and so have been prepared to be our spiritual and visionary voices of light.--BOOK JACKET.

Modern Japanese Tanka Makoto Ueda, 1996 His introduction gives an excellent overview of the development of tanka in the last one hundred years.

Travels in Manchuria and Mongolia Akiko Yosano, 2001-11-05 Yosano Akiko was a highly acclaimed Japanese poet. She was also a prominent feminist. In 1928 she was invited to travel around areas with a strong Japanese presence in China's northeast. This is her account of that journey.

A Book of Women Poets from Antiquity to Now Aiki Barnstone, Willis Barnstone, 1992-04-28 A monument to the literary genius of women throughout the ages, A Book of Women Poets from Antiquity to Now is an invaluable collection. Here in one volume are the works of three hundred poets from six different continents and four millennia. This revised edition includes a newly expanded section of American poets from the colonial era to the present. [A] splendid collection of verse by women (TIME) throughout the ages and around the world; now revised and expanded, with 38 American poets.

Japanese Gothic Tales Kyoka Izumi, 1996-06-01 Resisting the various forms of realism popular during the Meiji enlightenment, Izumi Kyoka (1873-1939) was among the most popular writers who continued to work in the old-fashioned genres of fantasy, mystery, and romance. Gothic Tales makes available for the first time a collection of stories by this highly influential writer, whose decadent romanticism led him to envision an idiosyncratic world--a fictive purgatory --precious and bizarre though always genuine despite its melodramatic formality. The four stories presented here are among

Kyoka's best-known works. They are drawn from four stages of the author's development, from the conceptual novels of 1895 to the fragmented romanticism of his mature work. In the way of introduction, Inouye presents a clear analysis of Kyoka's problematic stature as a great gothic writer and emphasizes the importance of Kyoka's work to the present reevaluation of literary history in general and modern Japanese literature in particular. The extensive notes that follow the translation serve as an intelligent guide for the reader, supplying details about each of the stories and how they fit into the pattern of mythic development that allowed Kyoka to deal with his fears in a way that sustained his life and, as Mishima Yukio put it, pushed the Japanese language to its highest potential.

Ascension Paul McCarthy, 2011-01-26 Paul McCarthy's *Ascension* offers a complete, in-depth guide to becoming an ascended master for those who want to be masters of their own spiritual transformations. *Ascension: Becoming an Ascended Master* offers a guide to the ascension process that explores the various levels of human spiritual consciousness. It presents a modern and accessible approach to the subject of ascension and aims to empower spiritual seekers by providing the information that they need to know in order to navigate through the different levels of consciousness. This model of ascension explains the experiences of each level of ascension in detail, as well as the unique lessons of each level and the requirements needed to ascend to the next level. *Ascension* traces the process and journey of ascension, placing a detailed focus on the levels of ascension, the spiritual lessons learned in the process, the keys to transformation, the concepts of integration and universal awareness, ways to monitor your progress, and methods for transcending your ego. Explore the wisdom of master teachers from the past who have experienced each level of consciousness and learn what it takes to be a modern-day ascended master. *Ascension* seekers will never again have to be lost or confused in their ascension process.

The Essential Feminist Reader Estelle Freedman, 2007-09-18 Including: Susan B. Anthony Simone de Beauvoir W.E.B. Du Bois Hélène Cixous Betty Friedan Charlotte Perkins Gilman Emma Goldman Guerrilla Girls Ding Ling • Audre Lorde John Stuart Mill Christine de Pizan Adrienne Rich Margaret Sanger Huda Shaarawi • Sojourner Truth Mary Wollstonecraft Virginia Woolf *The Essential Feminist Reader* is the first anthology to present the full scope of feminist history. Prizewinning historian Estelle B. Freedman brings decades of teaching experience and scholarship to her selections, which span more than five centuries. Moving beyond standard texts by English and American thinkers, this collection features primary source material from around the globe, including short works of fiction and drama, political manifestos, and the work of less well-known writers. Freedman's cogent Introduction

assesses the challenges facing feminism, while her accessible, lively commentary contextualizes each piece. *The Essential Feminist Reader* is a vital addition to feminist scholarship, and an invaluable resource for anyone interested in the history of women.

Yosano Akiko and *The Tale of Genji* G. Rowley, Gaye Rowley, 2020-09-24 Yosano Akiko (1878–1942) has long been recognized as one of the most important literary figures of prewar Japan. Her renown derives principally from the passion of her early poetry and from her contributions to 20th-century debates about women. This emphasis obscures a major part of her career, which was devoted to work on the Japanese classics and, in particular, the great Heian period text *The Tale of Genji*. Akiko herself felt that *Genji* was the bedrock upon which her entire literary career was built, and her bibliography shows a steadily increasing amount of time devoted to projects related to the tale. This study traces for the first time the full range of Akiko's involvement with *The Tale of Genji*. *The Tale of Genji* provided Akiko with her conception of herself as a writer and inspired many of her most significant literary projects. She, in turn, refurbished the tale as a modern novel, pioneered some of the most promising avenues of modern academic research on *Genji*, and, to a great extent, gave the text the prominence it now enjoys as a translated classic. Through Akiko's work *Genji* became, in fact as well as in name, an exemplum of that most modern of literary genres, the novel. In delineating this important aspect of Akiko's life and her bibliography, this study aims to show that facile descriptions of Akiko as a "poetess of passion" or "new woman" will no longer suffice.

Japanese Counterculture Steven C. Ridgely, 2010 Explores the significant impact of this countercultural figure of postwar Japan.

World Poetry Katharine Washburn, Clifton Fadiman, 1998 An anthology of the best poetry ever written contains more than sixteen hundred poems, spanning more than four millennia, from ancient Sumer and Egypt to the late twentieth century

The Strange Works of Taro Yoko Nicolas Turcev, 2019-05-21 Throughout his career, Taro Yoko was despaired by the image of humanity returned by most big budget video games. Taro Yoko's strange work reviews the entire career of this extraordinary creator, his games (*Drakengard*, *NieR*) and sheds light on the link that constitutes his work. Check out this complete book on Taro Yoko, which explores the contours of its games, their development, the complexity of their stories and their thematic depth. With a preface by Taro Yoko himself ! EXTRACT Nowadays, most of the players who have heard of Taro Yoko do not associate his name to any particular face. Inconvenienced by public appearances, the director systematically equipped himself with a device to cover his face during

meetings with the press, at least since the creation of NieR. Shortly before the announcement of NieR: Automata at the E3 2015, Yoko even had a mask made, based on the character Emil, by a plastic artist from PlatinumGames for a mere four hundred euros. Since then, he has worn it every time he is in the presence of photo and video cameras. His persistence in hiding his face under this thick layer of plastic naturally arouses curiosity. One might be led to believe that this is a communication strategy or the eccentricity of an enigmatic creator. Nevertheless, the visual anonymity of the director is in no way a means to nurture the mystery of his personality. Far from comparing himself to the likes of Banksy (a famous street artist and statement maker, who prefers to remain anonymous), Yoko just prefers to let his games speak for themselves. In fact, ask him, and he will answer with no difficulty that he grew up in Nagoya, in the Japanese prefecture of Aichi. Restaurant managers (izakayas, ramens, tempuras, etc.), his parents flitted from one restaurant opening to the next and entrusted their son's education to his grandmother. WHAT CRITICS THINK Overall, I enjoyed my time with *The Strange Works of Taro Yoko*, especially as a fan of the man's works [...] It's a great companion piece for long-time fans, and if you're looking for more unofficial content to read about for the Drakenier universe, you can't go too wrong. - RPG Site ABOUT THE AUTHOR Nicolas Turcev - Journalist specialized in pop culture, he has contributed to the following magazines: *Chronic'Art*, *Carbone*, *Games and Gamekult*, and occasionally participates in the video game analysis site *Merlanfrit*. He is also the author of several articles of the *Level Up* collection at *Third Éditions*.

Some Unquenchable Desire Bhartrihari,2018-11-27 An award-winning translator finds surprisingly modern themes in a selection of erotic and religious stanzas from one of classical India's most celebrated poets. Although few facts are known about his life, the Indian poet Bhartrihari leaps from the page as a remarkably recognizable individual. Amidst a career as a linguist, courtier, and hermit, he used poetry to explore themes of love, desire, impermanence, despair, anger, and fear. "A thousand emotions, ideas, words, and rhythmic syllables stormed through him," writes translator Andrew Schelling in an evocative introduction. "In particular he shows himself torn between sexual desire and a hunger to be free of failed love affairs and turbulent karma." Schelling's translation represents a rare opportunity for English-language readers to become acquainted with this fascinating poet. Attuned to Bhartrihari's unique poetic sensibility, Schelling has produced a compelling, personally curated set of translations.

A Girl with Tangled Hair Akiko Yosano,Jane Reichhold,Machiko Kobayashi,2013-11 For the first time all the tanka in Akiko Yosano's 1901 book, *Midaregami - Tangled Hair*, have been translated into

English. Each of the tanka has the original kanji version, a romaji version and the English so readers in both languages can appreciate the depth of Yosano's poetry. One of the reasons these 399 tanka have not been translated before is the difficulty of discovering the ambiguity in the poems. Machiko Kobayashi, a professional translator with a degree in English Literature has teamed up Jane Reichhold, a tanka poet and translator of six books from the Japanese. Introduction to the book is written by Aya Yuhki, editor of The Tanka Journal in Tokyo.

The Disaster of the Third Princess Royall Tyler, 2009-06-01 These seven essays by the most recent English translator of *The Tale of Genji* emphasize three major interpretive issues. What is the place of the hero (Hikaru Genji) in the work? What story gives the narrative underlying continuity and form? And how does the closing section of the tale (especially the ten 'Uji chapters') relate to what precedes it? Written over a period of nine years, the essays suggest fresh, thought-provoking perspectives on Japan's greatest literary classic.

〇〇〇〇 〇〇・〇〇〇, 2002 Akiko Yosano's *Tangled Hair*, published in 1901, had a sensational impact on Japanese literature, and we are pleased to make this highly praised translation (originally published 30 years a

<p>12. Sourcing Reliable Information of River Of Stars Selected Poems Of Yosano Akiko ◦ Fact-Checking eBook Content of River Of Stars</p>	<p>River Of Stars Selected Poems Of Yosano Akiko Introduction In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and</p>	

to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading River Of Stars Selected Poems Of Yosano Akiko free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading River Of Stars Selected Poems Of Yosano Akiko free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading River Of Stars Selected Poems Of Yosano Akiko. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading River Of Stars Selected Poems Of Yosano Akiko any PDF files. With these platforms, the world of PDF downloads is just a click away.
