The Psychology of Selling and Persuasion Leonard Moore, 2020-10-25 Learn the Real Techniques to Close the Sale Every Time using Principles of Psychology and Persuasion What makes people buy something? Humans have been trying to answer this one question for centuries. The truth is that while sales may be about math, the process of selling something relies heavily on psychology and understanding human behavior. You've probably already heard of countless magic techniques that are supposed to make people buy whatever you're selling, as if you had a magic wand in your hand. I'm sorry, there's nothing like that. However... After decades of research, science has identified certain responses and behaviors that are hard-wired into our brains and that can actually help you close the sale every single time. If you want to learn the real techniques to sell (the ones based on psychology that actually work) this book is for you. In this guide you won't find magic wands. Instead, you'll discover the principles of persuasion and consumer psychology, you'll learn working selling strategies and negotiating techniques designed to help you sell more and delight your customers after the sale. This guide will give you a series of actionable steps you can follow, from understanding your prospects to answering their objections effectively and ultimately getting the sale. Whether you are a sales professional, a business owner who wants to increase revenue, or someone looking to build a successful sales system, this book will help you. Inside *The Psychology of Selling and Persuasion*, discover: The real techniques to close the sale every time (without using magic wands) The 4 most common objections you'll receive and how to reply in the right way What makes people buy and how to leverage this knowledge to sell more 4 ways to craft your sales presentations so that people want to buy from you How to set and reach your sales goals using a powerful planning method Why if you want to sell effectively you shouldn't be selling (and what you should be doing instead) The #1 framework to handle customer's objections and reply effectively An example of a highly effective sales script (from the first contact to after the sale) 7 principles of persuasion you can use to craft a great sales pitch and close the deal Why closing the sale isn't actually the end of the sales process (many people don't know this) A step-by-step method to build sales scripts that work You can apply these techniques even if you've never sold anything before. Selling isn't some kind of talent that some people are just born with. It is a skill you can learn and practice in many areas of your life. Scroll up and click the Add to Cart button!

100 Great Business Ideas Jeremy Kourdi, 2009-11-28 Are you looking for a great idea or some inspiration to start a new venture or to help you grow your existing business? This book contains 100 great business ideas, extracted from the world's best companies. Ideas provide the fuel for individuals and companies to create value and success. Indeed the power of ideas can even exceed the power of money. One simple idea can be the catalyst to move markets, inspire colleagues and employees, and capture the hearts and imaginations of customers. This book can be that very catalyst. Each idea is succinctly described and is followed by advice on how such an idea can be applied to the reader's own business situation. A simple but potentially powerful book for anyone seeking new inspiration and that killer application.

SPIN® -Selling Neil Rackham,2020-04-28 True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.

The Psychology of Selling Life Insurance Edward Kellogg Strong,2012-01 Purchase of this book includes free trial access to www.million-books.com where you can read more than a million books for free. This is an OCR edition with typos. Excerpt from book: THE PSYCHOLOGY OF SELLING LIFE INSURANCE SECTION A. ANALYSIS OF SALES INTERVIEWS A negro preacher was asked one day how it was that his congregation behaved so well. He replied: Boss, it's dis way. Fust, I tells 'em what I'se gwine to tell 'em. Den I tells 'em. Den I tells 'em what I done tole 'em. This book is patterned somewhat on the old negro preacher's scheme of driving a point home. First, we shall review two sales interviews, so that we may have some idea of what we are going to learn. Then we are going to learn it, and, finally, we are going to go over it again, emphasizing many of the points in still greater detail. Outline Of The Contents In The Psychology Of Selling Life Insurance The book is divided into five sections, as follows: Section A. Analysis of Sales Interviews. Section B. Motives for Buying Life Insurance. Section C. The Strategy of Selling Life Insurance. Section D. The Strategy and Tactics of the Prospect. Section E. The Tactics of Selling Life Insurance. In Section A, two interviews, based upon actual sales, are discussed from several angles. In this way the reader is given a bird's-eye view of the entire course. In addition to this, the reader has ample opportunity to note the points which he does not understand or with which he disagrees, and so becomes the better prepared for the detailed discussion of the whole subject which immediately follows. In Section B, the psychological principles underlying selling are explained in as non-technical a manner as possible and are directly applied to selling. The necessary steps in planning or preparing for a sales interview are taken up in order in Section C. The term strategy of selling has been employed to cover this phase of the selling process. Section D considers the sales...

The Ultimate Book of Sales Techniques Stephan Schiffman,2013-01-18 The secrets of breakout selling! Using his thirty years of experience training corporate sales forces, Stephan Schiffman has put together a collection of the most essential techniques for succeeding in the field. From getting leads and cold calling to establishing a solid relationship and closing the deal, Schiffman covers everything you need to know in order to improve your performance and make the sale. Inside this book, you'll find his proven sales philosophy, which includes such elements as: Sales don't happen unless questions are asked. An objection is an opportunity in disguise. A salesperson's responsibility is to help the client solve a problem. No one ever made a good sale by interrupting a client. Whether you're new to the field or looking for a quick refresher, you will finally be able to beat out the competition and take your career to the next level with The Ultimate Book of Sales Techniques!

The Sell Fredrik Eklund,Bruce Littlefield,2016-04-05 The nation's #1 real estate broker and charismatic costar of Bravo's Million Dollar Listing New York shares his secrets on how to be successful. In the ten years since moving from Sweden to New York City, with no experience in real estate and no contacts, Fredrik Eklund has transformed himself into the best seller in the most competitive real estate market on the planet. In The Sell, Eklund leverages his years of experience to create the go-to manual for self-promotion and sales. At the core of the book are chapters tied to Eklund's 10-step program for "selling anything to everyone," and he shares his secrets on everything from personal authenticity and looking your very best to crafting the perfect sales pitch, negotiating with savvy, and closing deals promptly and efficiently . . . lest they slip away. Whether you're just starting a job as a sales rep at Verizon, navigating your career as an executive or entrepreneur, or hitting your stride closing big transactions as a banker at Goldman Sachs, The Sell will show you how to improve your game and radically increase the money you're bringing home. The Sell is a vital resource for anyone who wants to have an impact in his or her personal and professional life, with a razor-sharp focus on selling: selling yourself—or your brand—no matter your background.

The Science of Selling David Hoffeld,2022-02-08 The Revolutionary Sales Approach Scientifically Proven to Dramatically Improve Your Sales and Business Success Blending cutting-edge research in social psychology, neuroscience, and behavioral economics, The Science of Selling shows you how to align the way you sell with how our brains naturally form buying decisions, dramatically increasing your ability to earn more sales. Unlike other sales books, which primarily rely on anecdotal evidence and unproven advice, Hoffeld's evidence-based approach connects the dots between science and situations salespeople and business leaders face every day to help you consistently succeed, including proven ways to: - Engage buyers' emotions to increase their receptiveness to you and your ideas - Ask questions that line up with how the brain discloses information - Lock in the incremental commitments that lead to a sale - Create positive influence and reduce the sway of competitors - Discover the underlying causes of objections and neutralize them - Guide buyers through the necessary mental steps to make purchasing decisions Packed with advice and anecdotes, The Science of Selling is an essential resource for anyone looking to succeed in today's cutthroat selling environment, advance their business goals, or boost their ability to influence others. **Named one of The 20 Most Highly-Rated Sales Books of All Time by HubSpot
