Hiraeth Liz Riley Jones,2015-01-28 Mona Jones has been on the run all her life without really knowing why. Her parents were murdered, and now, at twenty-one, her uncle and protector is dead too... This dramatic chain of events compels Mona to spend time amid a Welsh-speaking community in Ynys Môn, also known as Anglesey. It is here that her druidic ancestry begins to emerge, identified more quickly by those around her. Attacked by an enemy druid, Mona quickly finds herself at the centre of an intense druid civil war. Branded with 'the mark', she unleashes her power, only to discover she also has a terrible weakness. Mona quickly finds herself drawn to the warrior Cai, but they are soon separated when the community's fleet is lured out to sea by the threat of an Irish attack. With the Welsh druids convinced she is a spy working amongst them, Mona's uncontrollable power explodes for a second time. The Welsh druids must decide if Mona is their saviour or their destroyer. A fast-moving, contemporary action story, Hiraeth is a trilogy inspired by the ancient Celtic texts of the Mabinogion and the Ulster Cycle. The story has been woven into an epic power struggle, which straddles myth, Celtic identity and adventure.

Hiraeth Michael Stansfield,2016-08-10 As human beings we know what home is, or for some of us the hope or ideal of what home should be: friends, family, nostalgia, all interlaced through love. It is an emotional, spiritual, and physical connection to a place that goes beyond the superficial level. In the broad sense I ask you the reader, "Is this world your home?" If you are honest with yourself you must confess it doesn't always feel like home. This path that you are about embark upon, the journey of my soul, to discover humanity's home. Not a home exclusively for one race, religion, or political creed, but a home for all, each accepted as members of one family and one creation.

Hiraeth N J Poulton,2021-08-11 Hiraeth is the sequel to the first book in the sequence, Podwitch, which was set three years before.

Hiraeth: Deep Wild Dreaming Leslie Spann,2020-11-07 Hiraeth is a Welsh word meaning an intense longing for home. A home that may never have even existed. This book is a window into the world I have created for myself through art. A world in which I attempt to heal by bringing the dark into the light. Through the alchemy of mixing the pain and grief with whatever is right in front of me. Finding the marvelous in the mundane. It is my humble hope to help others to heal through beauty. I hope you will enjoy it.

Hiraeth Anusha Ravi, Have you ever felt like you miss someone but you can't really understand who it is that you miss or what it is that you miss? Have you ever felt something empty in your heart, no amount of laughter, no amount of joy seems to fill it up? Then, my friend, you are experiencing a feeling called Hiraeth. Hiraeth is a Welsh word meaning longing for someone (a home). People into spirituality believe that this feeling is the first of the eight stages in a twin flame journey. Sounds magical? Sure does. This anthology tries to justify this feeling through various works by the co-authors. Through this book, the reader is sure to understand what Hiraeth would feel like and connect to the feeling if they are going through or have gone through the same.

Hiraeth R Short,2024-02-04 Hiraeth [hir,ITH] is a Welsh word that has no direct English translation. It likens it to a homesickness blended with grief and sadness over the lost or departed, especially in the context of Welsh culture. The Etymology breaks down to 'hir' and '-aeth'. (Closest equivalent to English would be 'longing'.) In Etymology, 'hir' means 'long' + 'aeth' means 'pain, grief, sorrow, and longing'. Hiraeth is a homesickness and deep yearning for places and feelings from your past that you can't return to or even those places and feelings you've never been to or experienced. Hiraeth can also mean nostalgia for your past self, the people who are long gone, or the emotions you used to feel. It is a mixture of emotions like longing, yearning, wistfulness, nostalgia, or a sincere desire for what never existed or no longer does. These pages are filled with so many emotional moments of my life, of me. It's fascinating...how years later, after finally finding myself... These pages finally make sense. Dedicated to all those who are wandering, just like me. It's in losing yourself that you are able to find yourself. This is for you.

Hiraeth Madhavi,2020-12-28 There is more to a woman than just an identity, a name or even a relation. There are layers and layers of her personality buried under the rubble of the demands of

home, career and family. She is afraid to show the world her real self for fear of being bullied, judged and more importantly misunderstood. So she hides it from everyone around her. It takes too much effort to explain her real feelings, which are most of the times brushed aside as silly, until someone comes along and peels off her layers one by one, touching the pulse of who she really is, to reveal her raw, authentic and beautiful soul. *Hiraeth* is a compilation of verses, of a romance, of a connection, of hope, of a journey, of finding love, of twin flames, of being alive, of living in the moment, of seeing everything around with rose coloured glasses. Because why not?

That Would Be Telyn Delyth Jenkins, 2019-03-01 In the summer of 2012 Delyth Jenkins walked the 186 miles of the Pembrokeshire Coast Path. She carried a small harp with her, giving a series of impromptu path-side concerts. Structured around the 17 days of the walk, this book is an account of her adventures and the people she met and played for along the way.

HIRAETH: A LOST CHILDHOOD Michael Richards, 2016-03-10 Writing a PhD is a challenge for anyone. A PhD is a marathon of writing, thinking, getting it wrong, making breakthroughs, but with the ultimate aim to reach the crowning glory of being called a 'doctor', with the hope that it will bring the start, or the enhancement of a career, usually in academia. Writing a PhD, however, does not just come with the challenges of writing, but it is accompanied with life's challenges, therefore, writing a PhD inevitably ensures that you reflect on life, in what you have gained and in what you have lost or not had. This book is a collection of villanelles that reflect on a 'lost childhood' of not being in Wales, a hiraeth, a yearning and a nostalgic feel for the 'land of my fathers'.

Hiraeth Bhubanesh Baisakha, 2021-07-09 The book 'HIRAETH' takes the readers into a long yet inspiring unending journey, which is filled with desires, aspirations, hopes, regrets, emotional break downs, loss, guilt and at times hopelessness towards attainment, towards discovering the long left home of love which never existed in reality through some finest collection of poems and write-ups of the author. Each and every word in the book would uncover the known as well as the unknown mysteries of love and relationships sometimes implicitly and at times explicitly. Through its poems and write-ups the book tries to bridge the gap between love and unlove. The book offers something for everyone and for any emotion. It would provide readers a space to interact with their true inner core feelings which may lead to healthy introspections as well as retrospections. The book would provide the readers to explore the multiple faces of different emotions. Through its poems and write-ups the book in an unfashioned manner brings light over the genuine interaction between life, love and relationships, and how they can be seen as one as well as different at the same time. Every write-up in the book has a multi-layer approach which I believe would be immensely insightful and engaging for the readers. The book would help you to be in sync with your real self. And after reading the book I assure you, you would be better aware of your inner as well as the outer self.

Hiraeth Miriam, 2021-07-09 Being human in the 21st century is no easy task and being a functional human is an even harder task. *Hiraeth* is not a work of fiction but rather deals with the everyday battles that we fight in the silence of our own minds and our quest for a home. *Hiraeth* was written for the ones who feel like they don't belong, the ones who don't fit in, and for the lost and disoriented among us who long - not for a home made of four walls but one made of safety and warmth. From works that deal with the questions and dilemmas of artists and creators to observational pieces on urban life and society as the poet sees it, the collection has a piece that will appeal to anyone who is longing for a connection. Feminist pieces which will strike a chord with anyone who has faced discrimination or abuse because of their gender or identity are part of the collection which also strongly deals with issues of mental health, mostly pulled from the poet's own life and experiences. The seemingly eclectic collection is tied together by the universal longing and the search for home, the emotion behind the name - *Hiraeth*.

Hiraeth Y K, 2021-08-27 *Hiraeth* is a story of myself, how I felt tangled in my own thoughts. I lived in my own world of love, hate, Friendships and frustrations. But never once did I regret it. Living that made me write this book, become a poet. To cry out my emotions verbally made me feel alive, made me the person I am now. And I'll keep growing from now on. The book is also about how to find light after ages of being in shadows. I hope you all find your way of expressing yourself

too.

Hiraeth a Cynefin Helena Sobolevskaya,2022-08-04 This book grew in telling, as all stories do. Through the birth of my children, and personal gnosis, it came through, and now it is free to make its own way.

Hiraeth: First Love First Contact Taksh Gupta & Akhil Ahuja,2016-07-08 What supposedly troubles man the most is the fear of the unknown. However, what transcends that is a nightmare, where things are so incredibly frightening that you hope that it was just that - a nightmare - but there's a part of you which knows that it is a part of your existence. Nikhil, a young guy loaded with responsibilities, and his girlfriend, Saesha, are trapped in this unenviable situation. Eerily, their worst nightmare is essentially the same: A cold-blooded, red-eyed freak chasing them, with a resolute obsession to slay their souls. The two try to pass this as coincidence, until the day things start falling apart. In a bizarre turn of events, Saesha gets abducted and returns with no memory of Nikhil. Weighing the odds of Saesha teaming up with the aliens, Nikhil has to make a choice between his beliefs and the world's, which is under siege. Biological weapons are unleashed, as a 623-year-old intergalactic rivalry is revived. Governments brainstorm together, there are UN meets and nuclear weapons are aggregated. Eventually, war breaks. The novel depicts Nikhil's journey as he sets out to save his love, which may also be the key to saving the world.

Hiraeth -Journey of a wrecked boat Sara Abbas,2021-07-09 The famous symbol of yin and yang teaches us how neither perfectly good nor perfectly bad exists in one single entity. This book 'Hiraeth- journey of a wrecked boat' deals with the darkness inside the good. It is a collection of poems based on dark yet bewitching sensations of life. Each poem focuses on many different shades

of gray that lies inside the human soul and will instil a sense of acceptance for them. It also is a first hand experience of the gender biased sufferings of a man dependent woman living in any society. Poems aren't based on any particular theme to eliminate monotony and cover a vast variety of topics to give the readers a tinch of every flavour in a single book.
