Lawn Care For Dummies Lance Walheim, National Gardening Association, 1998-02-12 Only one thing is standing between you and a fabulous lawn: It's called Lawn Care For Dummies. If you want a spiffy and well-coifed lawn (and not the overgrown, unruly one that people comment on when they pass by your house), you'll find everything you need to know to help you make your lawn the most dazzling spectacle on the block. Let authors Lance Walheim and the gardening experts at the National Gardening Association treat you and your yard to a megadose of lawn care information. In *Lawn Care For Dummies*, Walheim and the NGA give you the dirt on all the essentials, including how to * Design a low-maintenance or a high-maintenance lawn * Evaluate the pros and cons of planting a lawn from seed or starting one from sod * Discover how often you need to water your lawn without under-watering it or waterlogging it * Choose a mower that's right for your grass type * Deal effectively with wicked weeds and pesky insects * Create alternative lawns, such as ground cover plants, decks, and patios *Lawn Care For Dummies* also features a beautiful color insert with photos illustrating the various types of lawns found in yards across the world.

A Photo Handbook of Weeds Identification and Green Grass Lawn Care for Picture Perfect Turf NC Weed Killer, 2014 Also available on Kindle Before you pull out the lawn mower or sign up for the lawn mower service, grab a copy of this book to get insight on a strategy that will allow you to efficiently earn the best lawn in the neighborhood and that will keep you from wasting time and money on losing battles. Among the variety of books on lawn and garden, it has been impossible to find one that combines a concise strategy and actionable tactics with clear photographs of the weeds that are causing your lawn care problems. That gap has now been filled. How do you come up with a schedule for lawn feeding? When do you apply feedings to your lawn? What do forsythias have to do with anything? Do pre-emergent applications only apply to crabgrass? Is your lawn supposed to be a pleasure? or a master? These are some of the questions addressed and answered in a short, targeted text of the NC WEED KILLER's strategy for lawn care and weed control. Then there are 31 full color close-up photographs in the Rogue's Gallery of common weeds. Knowing what you are up against allows you to pick the best strategy and target the best weed control herbicide. Luckily, landing in the 7c zone of North Carolina, the NC WEED KILLER has been able to document the weeds that have been creating problems from New York to Georgia, from North Carolina to The Pacific Northwest. And, he has been able to work out the best ways to combat those weeds- and win! With the books available made so large to attract publishers, and so complex that there is too much information, the home gardener has been left without clear guidelines and a concise strategy. With hardcover volumes so large and with those little web site thumbnail pictures on your computer, getting the information out into the garden for good side by side comparison has been difficult, if even possible. Pick up your 8 x 8 A Photo Handbook to Weeds... and head for the yard! A simple plan, portable information, and actions that aren't going to rob all your time and money. You are looking at the answer you have been looking for. Good reading - and Good Successful Gardening!

Definitive Guide to Organic Lawn Care Daniel Stover, 2018-03-03 If you're serious about learning professional organic lawn care solutions in order to grow a greener grass, this is the only book you will ever need. It doesn't matter if you're a homeowner or the owner of a lawn care service, this guide will teach you everything you need in order to maintain grass at the highest level. Everything from organic pest control to soil microbiology and fertilizers, no stone is left unturned to bring you a complete education on organic lawn care. The methods taught within this book have been custom developed only for turfgrass and designed to keep your lawn greener, healthier, and more sustainable than any other organic program. My name is Daniel Stover and as a career golf course superintendent I have maintained a wide variety of grass species from New England to the Caribbean. My courses have received awards such as Golf Advisor's #1 for course conditions in the United States, Golf Week's top 50 golf resort in America, and USA Today's #1 course in the Caribbean. I have grown and maintained hundreds of acres of grass from mowing heights of four inch rough height all the way down to a tenth of an inch greens height. The breadth of these conditions, species and mowing heights allow me to continually perform countless testing on a large range of products, methods and cultivation practices. The ending result is a book that is constantly updated with the latest tips, tricks and methods that I have personally developed through the latest organic lawn care studies. This organic lawn care book originally started as my own notebook but quickly evolved into a no fluff guide that brings you everything you will need and nothing you don't. If you're serious about finding a superior solution to overpriced chemical lawn companies this is the only lawn care book you will ever need.
