*Stick to My Roots* Tippa Irie, 2023-08-24 This is a great read for our generation as it embodies, what life was like for black kids up and down the country during the 70's. I always remember, seeing him, driving through Birmingham in his VW Cabriolet convertible. He has taken his toasting talents around the world representing his upbringing and culture, truly a pioneer for toasting about Roots and Culture but from a British-Jamaican aspect rather than the other way round. This book, is a must-read for anyone growing up in Britain in the inner Cities of all cultures. -- Dennis Seaton, Record Producer, Musical Youth

**The Dare** Harley Laroux, 2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? *The Dare* is an 18+ erotic romance novella and

a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.
