Beyond the Surface Felice Stevens, 2019-09-10 A Firefighter, Reunited Lovers Gay Romance On 9/11, firefighter Nick Fletcher's world changed forever. He's unable to rid himself of survivor's guilt, made worse by the secret he hides from his family and co-workers. Nick's life is centered around helping burn victims, until he is reunited with the man he'd once loved but pushed away. Now he has a second chance at a love he thought lost forever. For fashion designer Julian Cornell, appearances

mean everything. His love affairs are strictly casual, and the only thing he cares about is making his clothing line a success. A chance encounter with the man he loved long ago has Julian thinking for the first time in years there may be more to life than being seen at the best parties and what designer labels to wear. When Julian's world takes an unexpected turn, it's Nick who helps him regain perspective on what matters most in life. Julian, in turn, helps Nick accept who he is and understand he isn't responsible for tragedies he couldn't prevent. Lost love found can be even sweeter the second time around and after all the years apart, both men learn to look beyond the surface to find the men they are inside.

Darker Still Leanna Renee Hieber, 2011-11-01 A lush gothic tale that begs for reading...I couldn't put it down. —New York Times bestselling author Sarah Maclean I was obsessed. It was as if he called to me, demanding I reach out and touch the brushstrokes of color swirled onto the canvas. It was the most exquisite portrait I'd ever seen—everything about Lord Denbury was unbelievable...utterly breathtaking and eerily lifelike. There was a reason for that. Because despite what everyone said,

Denbury never had committed suicide. He was alive. Trapped within his golden frame. I've crossed over into his world within the painting, and I've seen what dreams haunt him. They haunt me too. He and I are inextricably linked—bound together to watch the darkness seeping through the gas-lit cobblestone streets of Manhattan. And unless I can free him soon, things will only get Darker Still.

The Kites Romain Gary, 2019-09-24 Romain Gary's bittersweet final masterpiece is "epic and empathetic" (BBC) and "one of his best" (The New York Times) *The Kites* begins with a young boy, Ludo, coming of age on a small farm in Normandy under the care of his eccentric kite-making Uncle Ambrose. Ludo's life changes the day he meets Lila, a girl from the aristocratic Polish family that owns the estate next door. In a single glance, Ludo falls in love forever; Lila, on the other hand, disappears back into the woods. And so begins Ludo's adventure of longing, passion, and love for the elusive Lila, who begins to reciprocate his feelings just as Europe descends into World War II. After Germany invades Poland, Lila and her family go missing, and Ludo's devotion to saving her from the Nazis

becomes a journey to save his love, his loved ones, his country, and ultimately himself. Filled with unforgettable characters who fling all they have into the fight to keep their hopes—and themselves—alive, *The Kites* is Romain Gary’s poetic call for resistance in whatever form it takes. A war hero himself, Gary embraced and fought for humanity in all its nuanced complexities, in the belief that a hero might be anyone who has the courage to love and hope.

The Secret Sharer Joseph Conrad, 2015-07-30 Weathering our Inner and Outer Storm “Necessity, they say, is the mother of invention, but fear, too, is not barren of ingenious suggestions.” - Joseph Conrad, *The Secret Sharer* Like many of Conrad’s writings, the action in *The Secret Sharer* is set on a boat at sea and revolves around a central character torn apart. He is the new ship captain and has to win the trust of his crew. To make things difficult however, he accepts to hide a man accused of murder in his cabin. The two characters strike up a strange bond. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. The Magical Teachers of Harry Potter Danielle Dickie,2020-06 Journey through every Hogwarts

professor's teaching style. - Can a werewolf teach effective lessons about monsters? - Will prophecies of death put a damper on your class environment? - Can a wizarding celebrity learn to put his students before himself? - Is the Dark Lord on the back of your head technically your co-teacher? Education books are often filled with stories of success, charity and perfection. But they fail to capture the true nature of teaching-it's messy. In *The Magical Teachers of Harry Potter*, you'll take a journey through every Hogwarts professor's teaching style and compare their experiences with the successes and-more importantly-the failures teachers experience inside a muggle classroom. This is where analyzing fictional characters gives a distinct advantage. Inside these pages are lessons from teachers you won't find in any other education book, including a half-giant who is too insecure to share his passion for magical creatures, a ghost who puts students to sleep, a Death Eater who gives surprisingly great career advice and a toad-like woman who abuses her students. What better way to grow as a teacher than to learn from these familiar professors' strengths and weaknesses? But this book is not just for educators. Any Harry Potter fan can appreciate reading more about the Hogwarts teachers who have

already taught us so much. Harry's professors show us there isn't just one spell you can cast to become a perfect teacher—every day muggle teachers of all kinds bring true magic into their classrooms.

A Graphic Cosmogony Various, 2012-03-27 Drawn from the mythology of myriad cultures and the ever creative minds of the artists within, we are taken from the fog of Niflheim to the frescoes of Florence in a worldwide collaboration of yarn-spinning talent. The Biblical creation myth proposes that God created the world in seven days, or six plus one day off to chill out, so in that spirit the two-dozen cartoonist-shamans corralled into this compendium were given just seven pages to devise their own version of how we all got here. . . . Entire world faiths have been built on equally unlikely accounts. Perhaps if enough readers of this volume start believing in certain stories, they might cause a spate of new religions to spring up based upon them. Pull up a rock and gather round the flickering fire—the universe is about to be born again.—From the introduction by freelance journalist, curator, and lecturer Paul Gravett, co-author of *Graphic Novels: Stories to Change Your Life* (Laurence King Publishing,

2005) Features contributions from artists such as Stuart Kolakovic, Ben Newman, Mike Bertino, Brecht Vandenbroucke, and Luke Pearson.

Packing My Library Alberto Manguel,2018-03-20 A best-selling author and world-renowned bibliophile meditates on his vast personal library and champions the vital role of all libraries In June 2015 Alberto Manguel prepared to leave his centuries-old village home in France's Loire Valley and reestablish himself in a one-bedroom apartment on Manhattan's Upper West Side. Packing up his enormous, 35,000+ volume personal library, choosing which books to keep, store, or cast out, Manguel

found himself in deep reverie on the nature of relationships between books and readers, books and collectors, order and disorder, memory and reading. In this poignant and personal reevaluation of his life as a reader, the author illuminates the highly personal art of reading and affirms the vital role of public libraries. Manguel's musings range widely, from delightful reflections on the idiosyncrasies of book lovers to deeper analyses of historic and catastrophic book events, including the burning of ancient Alexandria's library and contemporary library lootings at the hands of ISIS. With insight and passion, the author underscores the universal centrality of books and their unique importance to a democratic, civilized, and engaged society.

Finally rescued by wizard bodyguards, he discovers that Dumbledore is regrouping the Order of the Phoenix - a secret society first formed years ago to fight Voldemort. But the Ministry of Magic is
