Revolutionary Tunisia Stefano

Pontiggia, 2021-10-18 In *Revolutionary Tunisia: Inequality, Marginality, and Power*, Stefano Pontiggia examines marginality and inequality in Tunisia through the stories of people living in Redeyef, a mining town in the Tunisian south that

is well known for its militant past. Considering the ongoing formation of the post-revolutionary Tunisian state, Pontiggia explores the extent to which state-led institutions, local power relations, the social structure, and the dynamics of space production coincide to perpetuate inequality. Far from being a process of exclusion from wealth and development, Pontiggia asserts, marginality is instead synonymous with a gradual integration of territories and populations into a socio-territorial hierarchy that is rooted in the colonial experience. What emerges is a country whose revolution is characterized by change as much as continuity with the past.

Gentle River Flow Joseph Babinsky, 2005-08-01
Gentle River Flow is a collection of writings, from the sublime to the seeming mundane. Essays on the subject of truth are juxtaposed with writings of an experience driving through a desert storm, letters written to a friend on the subject of the origins of Christianity and brief articles written about the experience of star gazing. Further essays are about UFOs and on the experience of a past life regression. Additional subjects include writings on writers' block, God-Talk, dreams, numerology, the human as a divine being, and stories about a stranger who reappears after a twenty year absence to help with a new aspect of a spiritual journey. The finished book offers the word picture of a river. There are places where the eddies are quite rough, and there are quiet pools where the water flows ever so gently. This is a book for casual reading and serious study containing many levels of awareness. Gentle River

Flow is for the on-going spiritual journey and the expansion of human consciousness.

Revealing the Unseen Hand Lee R. Clendenning, PhD, 2013-08-13 God does have a purpose and plan for the life of the person trying to be an obedient follower of Christ. His Unseen Hand is always working in the background to fulfill the scriptural promise that "All things work together for good to them who love God." **Revealing the Unseen Hand—God's Providence Documented** is an inspiring testimony of this truth throughout a lifetime of career preparation, service, and marital blessings. **Revealing the Unseen Hand—God's Providence Documented** is the testimony of a poor farm boy who, through faith and the help of God, overcame personal and financial difficulties, ...married his childhood sweetheart, and together launched a career of Christian service and academic success. The journey is described as a series of life situations in which the Unseen Hand controlled immediate and long-range solutions through interventions, revelations, divine appointments, and miracles. The journey included service as an American delegate on a People to People tour of European nations and the former

USSR, as well as the leadership of a scientific exchange behind the Bamboo Curtain of the People's Republic of China. Over fifty years of a God-blessed marriage and the raising of two fine sons is also described. The firm commitment to the truth that, "All things work together for good to them that love God" is reinforced.

Just Be Cool, Jenna Sakai Debbi Michiko
Florence, 2021-08-03 Fans of Lisa Greenwald and Wendy Mass are sure to fall head-over-heels for this funny, sweet story of crushes, competition, and the confusing reality of middle school. Heartbreak is for suckers. -- Jenna Sakai When Jenna gets dumped over winter break, it confirms what she learned from her parents' messy divorce: Relationships are risky and only lead to disappointment. So even though she still has to see her ex-boyfriend Elliott at newspaper club, Jenna is going to be totally heartless this semester -- no boys, just books. But keeping her cool isn't always easy. Jenna's chief competition for a big journalism scholarship is none other than Elliott. Her best friend Keiko always seems busy with her own boyfriend. And cute-but-incredibly-annoying Rin Watanabe keeps stealing her booth at the diner she's been hiding at every day after school. Rin is every bit as stubborn and detached as Jenna. And the more Jenna gets to know him, the more intriguing a mystery he seems. Soon Jenna is starting to realize that being a loner is kind of, well, lonely. And letting people in might just be a risk worth taking.

Beijing Philip Gambone,2003-05-01 Escaping his ghosts, AIDS widower David Masiello accepts a one-year position at a Western medical clinic in Beijing. Lonely but excited, he sets out to explore the city—both its bustling street life and its clandestine gay subculture. David chronicles his adventures in China as he wrestles with cultural dislocation, loneliness, and sexual and spiritual longing. After a series of both comic and poignant encounters with gay Chinese men, he meets Bosheng, a handsome young artist. Though the attraction is strong, a difficult courtship ensues, during which Bosheng returns to his ancestral village to marry the girl his parents have chosen for him. Eventually, and quite unexpectedly, David and Bosheng reconnect and share an idyllic spring together. As the year ends, David must decide whether to say goodbye or face the uncertainties of a long-distance relationship. Gambone's novel is peopled with a host of wonderfully memorable characters: Owen, David's forthright best friend back home; Auntie Chen, the clinic's office mom, who wants to fix David up with a girlfriend; Stewart, David's Beijing roommate, a graduate student doing research on Peking opera; Jiantao and Guoyang, two lovers who lecture David on the fleeting quality of American romance; and Tyson, the Australian

doctor with a Chinese girlfriend, who hopes to teach David that love doesn't need any explanations or justifications.

Rifling Paradise Jem Poster,2008-02-05 “A dubious character experiences a shattering change of heart during his specimen-collecting expedition to Australia . . . Edgy, intense and engrossing” (Kirkus Reviews). When past indiscretions catch up with Charles Redbourne, a minor English landowner, he is propelled from England to Australia, where he plans to make his mark as a naturalist. There, his life begins to change dramatically, not least when he meets his host's wayward, artistic daughter. But it is on an expedition in search of scientific specimens in the Blue Mountains that events take a terrifying turn. Vividly conveying the unspoken codes of Victorian society, this is a gripping tale of emotional and psychological reckoning that offers an inspired meditation on the relationship between humankind and the natural world. “Immediately gripping . . . An epic tale whose figures in landscape encapsulate a turning point in history.” –The Times Literary Supplement “Poster's prose is at its best when describing the flora and fauna (exotic birds especially), the sounds and smells, of the outback . . . A stylish, assured and thoughtful narrative.” –The Guardian “Violence seethes perpetually just below the surface, all the more powerful for the author's restraint . . . *Rifling Paradise* is one of those

historical novels that continually confronts us with our present world, the world created out of the brutality and disaster of the past but also out of its graces, a world we may not yet be mature enough to save.” –Historical Novels
